

## PRODUCT BRIEF

# STORAGEWALL

## FEATURES & BENEFITS

- ◆ Materials are assembled on site to form the runs, and decor panels scribed to suit wall openings if required.
- ◆ Units are made for each individual project and specification to the clients' requirements.
- ◆ Units can be designed to fit against a wall or be in open plan, giving the benefit of scope for enhancement with the rear of the units - pinboard fabric backs, writeable surfaces and graphics.
- ◆ Removable plinth and pelmet for access to services and data.
- ◆ Three point espagnolette key lock and turn handle fitted on doors as standard.
- ◆ Additional handles available from a range of options.
- ◆ Doors fitted with 110° Concealed Hinges as standard, with the option of upgrading to soft-closing hinges.
- ◆ Steel internal accessories (shelves, lateral filing, suspension filing, pull out shelves and bins, garment rails).

## DIMENSIONS

- ◆ Standard modular widths (400, 500, 600, 800, 1000, 1200mm) and depths (430, 500, 600mm), variable heights to suit.
- ◆ Customised sizes are also available on request.

## FINISHES

- ◆ Carcass made from 22mm Light Grey MFC to ensure durability and strength, fitted with black or white ABS edging.
- ◆ External panels made from 18mm MFC with 2mm radius ABS edging, supplied in the finish of choice.
- ◆ We can source, match and manufacture any MFC or Laminate board finish held in the UK and Europe.

## WARRANTY

- ◆ 10 years (2 years on non-static components).
