

**PRODUCT BRIEF**

# TEACHINGWALL

## FEATURES & BENEFITS

- ◆ All the quality construction and benefits of built-in Freewall storagewall systems.
- ◆ This system is designed for Smart Screens, mounted in the central reinforced alcove liner
- ◆ Sliding door system on rails, can be manufactured in a dry-wipe whiteboard laminate with the option of being magnetic.
- ◆ Lower doors fitted with 180° Knuckle Hinges for unrestricted door opening, making it safer for young learners.
- ◆ Optional bespoke tray system in lower section, compatible with Gratnell trays.
- ◆ Side alcoves can be added and fitted with extended desk tops and cable access.

## DIMENSIONS

- ◆ Standard modular widths (800, 1000, 1200mm) and depths (500, 600mm), variable heights to suit.
- ◆ Customised sizes and configurations are available on request.

## FINISHES

- ◆ Carcass made from 22mm Light Grey MFC to ensure durability and strength, fitted with black or white ABS edging.
- ◆ External panels made from 18mm MFC with 2mm radius ABS edging, supplied in the finish of choice.
- ◆ We can source, match and manufacture any MFC or Laminate board finish held in the UK and Europe.

## WARRANTY

- ◆ 10 years (2 years on non-static components).
