

**PRODUCT BRIEF**

# COSYWALL

## FEATURES & BENEFITS

- ◆ All the quality construction and benefits of built-in Freewall storagewall systems.
- ◆ Units can be designed to fit against a wall or be in open plan, giving the benefit of scope for enhancement with the rear of the units - pinboard fabric backs, writeable surfaces and graphics.
- ◆ Soft-seating hubs with or without backrest, wrapped in a choice of finishes from *Camira* fabrics.
- ◆ Storage space is provided underneath the seating, with push-to-open doors for a cleaner appearance.
- ◆ Cosywall can be combined with further built-in modules! General storage, lockers, display alcoves, low level units...

## DIMENSIONS

- ◆ Standard modular widths (800, 1000, 1200mm) and depths (500, 600mm), variable heights to suit.
- ◆ Customised sizes and configurations are available on request.

## FINISHES

- ◆ Carcass made from 22mm Light Grey MFC to ensure durability and strength, fitted with black or white ABS edging.
- ◆ External panels made from 18mm MFC with 2mm radius ABS edging, supplied in the finish of choice.
- ◆ We can source, match and manufacture any MFC or Laminate board finish held in the UK and Europe.
- ◆ Fabrics are supplied as standard from the extensive *Camira Blazer* and *Synergy* ranges, but we will do our best to source your exact required finish if not found there.

## WARRANTY

- ◆ 10 years (2 years on non-static components).
